DR. RADWAY'S Here was a great woman who Sarsaparillian Resolvent Ready Relief and Perfect Purgative Pills, in written testimonials from all parts of the world, surpass in wonder the most extravagant miracles of enchantment. Physicians and medical men in all countries pronounce these wonderful remedies a mystery, that acither their science of analysis or chemical skill can explain. True, these medicines effect the most marvelous cures, and restore the dying to life, and relieve the most wretched pain-suffering victim of his tortures, in from one to twenty minutes, and although they know some of the ingredients of their composition, and Dr. Radway has published their formula (withholding only two newly discovered roots), still both French, German, English and American chemists and pharmaceutists utterly fail with the same ingredients as prepared by them. The great success, which these womierful remedies are constantly achieving, lies in the great secret of combining the ingredients together, after exercising due care in selecting the pure and genuine roots.

are some infirmities and diseases that are con-sidered as incurable, and sure death. Yet the

sidered as incurable, and sure death. Yet the most astounding cures have been made thro' these remedies of some diseases that have never been known to be cured by medicine.

CONSUMITION, SCROFULA, WHITE SWELLING, Tumors in the Womb, Stomach, Ovaries, Bowels, Bright's Disease of the Kidneys that have been pronounced incurable, Cancers, Ulcers, Swellings, Stone in the Bladder, Calculous Concretions, Ulcers and Sores of the Bones, Rickets so deeply sented that no other medicines have been known to reach, have been cured by the SARSAPARHLIJAN RESOLVENT, aided by the READY RELIEF and PILLS. Palsy, Paralysis, Dry Gangene—that threat-ens allying death—daily rotting away of the limbs and flosh—Diabetes, Involuntary Dis-charge of Water, Fungi in the Bladder (the Emperor Napoleon's disease), Torturing palms when discharging urine, RHEUMATISM, GOUT, NEURALGIA—each and every one of these complaints—though but a few of the many other diseases, Radway's Sarsaparillian Resolvent has cured and is daily curing in all parts of the world.

parts of the world.

In one word, any disease—no matter under what name designated, that is nourished or increased by bad, impure, deprayed, weak, thin, watery or poisoned blood—can be cured by RADWAY'S SARSAPARILLIAN RESOLVENT

Dr. Radway & Co. have never claimed one nundreth part of the curative virtues for their remedies as is ascribed to them by the people who have used them; for bear in mind, only who have used them; for hear in mind, only such discases and complaints as Dr. Radway, after successful treatment with their remedies knew they would cure, were enumerated in their curative list, so that many of the extraordinary cases that have been reported awakened as much astonishment in the discovery of their remedial agents as in those who had been rescued from death, and made whole and sound.

As many persons discredited their extraordinary power, from the fact of their disappointment in the use of other advertised remedies—and some believed it impossible for simple medicines made only from vegetable substances—roots, herbs, &c.—should possess such marvelous power. Yet they can readily comprehend that the simple grasses of the field, after undergoing the chemical process of distillation designed by nature in the cow and churn, furnishes us with butter—certainly the most abundant fat, caloric or heat-making—bone, tissue, muscle, sinew and blood-making constituents for the human body.

But when those people who first doubt the efficacy of these remedies commence their use, they become their most carnest advocates.

OVARIAN TUMOR CURE. Never has a medicine taken internally, been known to have cured Tumors, either of the Womb, Uterus, Ovaries or Bowels; the knife has been the sole reliance in the hands of ex-

perienced surgeons; but Dr. Radway's Sar-saparillian settles this question. It has cured over twenty persons of Ovarian Cysts and Tumors, as well as Tumors in the Bowels, Uterus, Womb, Liver, Dropsical Effusion, Ascites, and Calculous Concretions. DE. RADWAY: I have had Ovarian Tumor in the ovaries and bowels. All the doctors said there was no help for it. I tried everything that was recommended, but nothing helped me. I saw your Resolvent and thought I would try it, but had no faith in it, because I had suffered for 12 years. I took six bottles of the Resolvent, one box of Radway's Pilis, and used two bottles of your Ready Rel Pilis, and used two bottles of your Ready Rel Pilis, and used two bottles of your Ready Rel Pilis, and used it wo bottles of your Ready Rel Pilis, and used it wo bottles of your Ready Rel Pilis, and there is not a "sign of a tumor to be seen or felt, an' I feel better, smarter and happier than a have for 12 years. The worst tumor was in the left side of the bowels, over the groin. I write this to you for the benefit of others. Ygu can publish it if you choose.

AN IMPORTANT LETTER From a prominent gentleman and resident of Cincinnati, Ohio, for the past forty years well known to the newspaper publishers through-out the United States: NEW YORK, Oct. 11th, 1870. DR. RADWAY—Dear Sir: I am induced by a sense of duty to the suffering to make a brief statement of the working of your medicine on myself. For several years I have been afflicted with some trouble in the bladder and urinary organs, which some months ago culminated in a most terribly afflicting disease, which the physicians all said was spasmedic stricture in the uretha, as also inflamation of the kidneys and bladder, and gave it as their opinion that my age—73 years would prevent my ever getting radically cured. I had tried a number of physicians, and had taken a large quantity of medicine, both allopathic and bomeopathic, but got no relief. I had read of astonishing cures having been made by your remedies; and some four months ago I read a notice in the Philadelphia Saturday Evening Post of a cure having been effected on a person who had long been suffering as I had been. I went right off and got some of cach—your Sarsaparillian Resolvent, Ready Relief, and Regulating Pills—and commenced taking them. In three days I was greatly relieved, and now feel as well as ever.

Principles of the Church Union.

 Whatever occasion may have existed it imes past for the division of the Church inte-operate denominations, we hold that the ef-orts of Christians should henceforth be post forts of Christians should henceforth be positive and continuous toward an actual and
visible onenets.

2. While opposed to any such concentration
of power as would trench upon the inherent
liberty of the individual Christian or society
of disciples, we hold that the evangelical believers and congregations of each locality
should aim to manifest to the world their essential unity in faith and spirit.

3. We hold those churches to be evangelical, which, maintained the Holy Scriptures
to be the only infallible rule of faith and
practice, de believe in the Lord Jesus Christ
(the only-begotten of the Father, King of
Kings and Lord of Lords, in whom dwelleth
the fulness of the Godhead bodily, and who
was made sin for us, though knowing no sin,
bearing our sins in His own body on the tree;
as the only name under heaven given among
men whereby we must be saved from everlasting punishment.

We subscribe to the above principles, and
are deeply interested in the welfare and
maintendance of the Church Union as devoted to their advocacy.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, Want is the cause of the unpar-alled success of VINEGAR BIT-TERS ?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Reno-vator and Invigorator of the system.

In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time
